Manager/President's Report

Dear Residents,

The last month has been very busy and interesting, with many new challenges and developments. To those who attended the October Board of Directors meeting or who participated and/or attempted to participate via the phone, that was quite a Circus. We had thirty people in attendance in the McWilliams room and 30 more who called in, including some board members who are still at their summer homes. Fifty-eight people were tortured by two people who didn't mute their phones and the noisy feedback and comments were terribly rude. In spite of all the distractions and interruptions, the meeting was held and significant business matters were discussed and approved. The Rules and Regulations presented for consideration in September were approved and the association fees for 2022 were also discussed and approved. We are fortunate that we were able to minimize the fee increases and establish a Reserve Fund by transferring some monies from our existing savings and investments.

The search for a new manager is underway and I have visited several other Residential Communities and have learned that there are multiple options for the Board to consider. Some parks are being managed by hired management firms and some have agreements with agencies that provide limited support with a Community Association Management umbrella. Others have a CAM certified manager and some have a board member serving as a volunteer Park manager and the daily operations being managed by a person hired as manager for office and general operations. All these options are legal under Florida Statues and are being considered by our Village Personnel Committee of R. Knierim, R. Jaenicke, R. Laninga and R. Stasik,

We have received multiple proposals from contractors for our infrastructure projects being considered for next year. Water and sewer projects are being developed with the hope they can be done simultaneously. This past month, we have had to shut down water to the entire park twice because of problems with the potable water distribution lines. We also had to make emergency repairs to a sewer line under 3rd Street. That repair cost $12,300 with a courtesy discount because the contractor was already on site doing other work. The lift station near First and Heather Hills has been causing major concern with performance since a towel was introduced into the sewer, damaging the pump system. As we evaluate the roads, consideration is being given to upgrading the Miami drain system which channels storm water after events. The Miami drain is the contour curbing in place in some areas of the park. Road patching is underway to address the most serious problems with our pavement.

We continue to be blessed with residents stepping up to volunteer their time and talent to our community. Their education, experience and training has proven to be a tremendous asset as we face challenges and move forward.

We are continuing to plan for a New Year's Eve celebration, but everything is contingent on the developing Covid situation. We have signed a contract with the Rusty Wright Band and made a deposit, but if we cannot provide a safe environment for a Village sponsored event cancellation will be an option.

Lastly, I am looking forward to seeing everyone at our Veterans Day and Remembrance Day events in the Village on November 11th.

Respectfully submitted
Richard Stasik

Office News

Submitted by Belle Ratcliffe, Office Manager

Fall is here and it's time for our Fall Clean-up which is scheduled for Monday, November 15, 2021. Please have your items at the curb by 8:00 am. for pick up. There will be no extra charge and no need to call the office to be put on the list. So, clean out those sheds and closets!!

NOTE: you may bring ELECTRONICS, TVS, COMPUTERS, PAINT CANS, to the CLUBHOUSE PARKING LOT from 8:00 am to 11:00 am only where they will be picked up.

Towing signs have been placed at the entrances. We can now legally have vehicles towed if not in compliance.

Our tree service, Arbor X, will be trimming trees November 16-19. They will be going around the entire park to spruce things up.

We will be having a photo contest for the cover of the 2022 Directory. You can send in or drop off to the Office any photos depicting VOTG that you have taken. The deadline for submissions is Monday, December 20, 2021. The winner will receive a prize and bragging rights! So, look thru your photos or go out and take some pics!!

Have a wonderful Thanksgiving holiday!!

Election News

Submitted by Verna Hansen, Election Committee

At the end of November, you will receive a Notice of Election for 2022. There will be three (3) openings on the VOTG Board next year. The notice will contain all the information necessary to submit your name as a candidate. The important thing to note is that all candidates must submit their information by December 29th (35 days before the election).

A PERFECT MARRIAGE?

A man and woman had been married for more than 60 years. They had shared everything. They had talked about everything. They had kept no secrets from each other, except that the little old woman had a shoe box in the top of her closet that she had cautioned her husband never to open or ask her about.

For all of these years, he had never thought about the box, but one day, the little old woman got very sick and the doctor said she would not recover.

In trying to sort out their affairs, the little old man took down the shoe box and took it to his wife's bedside.

She agreed that it was time that he should know what was in the box. When he opened it, he found two crocheted dolls and a stack of money totaling $95,000.

He asked her about the contents. "When we were to be married," she said, "my grandmother told me the secret of a happy marriage was to never argue. She told me that if I ever got angry with you, I should just keep quiet and crochet a doll."

The little old man was so moved; he had to fight back tears. Only two precious dolls were in the box. She had only been angry with him two times in all those years of living and loving. He almost burst with happiness.

"Honey," he said, "that explains the dolls, but what about all of this money? Where did it come from?"

"Oh," she said. "That's the money I made from selling the dolls."

Greens of Manatee Golf News

November 2021

Submitted by Tom Ladd

By now some of you have returned to your winter home here in Florida and I hope your summer was a good one. So far, so good on the Hurricane season, as most storms have gone in different directions than ours. September has brought us some dryer weather and we can use some of that.

We are still accepting yearly fees checks; if you haven't mailed yours yet, it will help us a lot during this slow time.

In case you haven't heard, the golf cart raffle tickets are going fast so get yours while they last. The cart is a 2017 EZ-GO customized golf cart. New batteries, new seats, USB ports, a warrantee to the winner and the list goes on and on. Tickets for the drawing are $50.00 each and there are only 220 tickets being sold. The cart can be seen at the course during business hours or on our Face Book page.

The Golf Course and the Snack Bar are pretty much back to normal regarding the Covid-19 crisis and we are looking forward to seeing each of you in the near future.

We are back to two Scrambles a month so check with the clubhouse for dates. Good Golfer, Bad Golfer, these scrambles are made for all of us.

Donations to help with expenses are always welcome and much appreciated. We are still looking at the purchase of an additional mower that we need so desperately. If you or a group of your friends are interested in helping out, give me a call for some details.

Take care and drive safely on your return.

See you soon !!!

And Thank You for all your help!

Shuffleboard

Submitted by Jerry Peterson

A small group of nine shufflers came out for the first session of the season on October 5th.

In order to beat the heat, a nine o'clock starting time was set. New LED lights have been installed so evening play will be more enjoyable this time around. New players are always welcome regardless of experience, so come join the fun, make new friendships, renew old acquaintances, and enjoy a great outdoor activity. Some equipment is available, and for safety, wear non-slip shoes (no open toes).

See you on the courts.

"Shout Out…"

Submitted by Debra Bernardo

If you or someone in our Village has something nice to share that has happened in the last month, send it to me so we can give a shout out to them. And, don't be afraid to toot your own horn. Pictures are welcome.

We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,
The Florida Anchor & Barrier Team
