Manager's Report

Submitted by Dean Chandler

Welcome to November and Happy Thanksgiving!!!

It is the beginning of the holiday season and many snowbirds have returned already... Welcome Home!

LANDSCAPING: Thank you again to those who take care of your landscaping and take part in making the park look great. To those who have not, I must ask you to please clean it up now. Starting in November the frequency of mowing can be reduced to every other week in most cases. You cannot do this before November and expect it to look good on a weekly basis.

WATER & SEWER: Getting close to completion. They are coming to each home and doing their final corrections. If you have something that has not been corrected, please send me an email, or contact the office and we will the info to FPS.

EMAILS: Have you received our emails? If you are not getting emails on a regular basis from either Donna or myself, please contact Belle in the Office and let her know asap. We will then check our Constant Contact System and try to find out why you would not be getting your emails. This is very important as this is our primary way to communicate effectively with you and keep you posted on all the happenings at VOTG.

CHECKING IN & OUT: Please make sure you notify the office and complete the "Check-In & Out" form each time ~ so that we know if you are in the park, or you are going to be away. This is very important. The forms are on the website and available in the office.

Thank you and I want you to know it is a privilege for myself and our staff to serve you!

President's Report

Submitted by Donna Anderson

Hope the ghosts and goblins did not play too much havoc on all of you last month!

Things are going pretty well here in the Village. Our northern friends are beginning to return, the weather is a little cooler, and we are moving onward with the selling of the Village.

The Chatter articles may sound redundant at times, but we are in such an important part of the acquisition, I feel information needs to be posted more than once, as some only attend meetings, some only read the Chatter, and some only read email blasts. We need to cover all bases!

The Executive Committee of the Board (which includes the President, Vice President, Treasurer and Secretary) are meeting twice a month with our Manager, our Attorney, his team, and MHM in the final stages of the sale. I will summarize those meetings in all venues of communication to you.

Here is my summary of our first meeting on October 6, 2023:

Information from meeting with MHM, Lawyers, Executive Committee and Manager of VOTG

The meeting was very scattered, no agenda.

- ▶ Bob Miller started by explaining how these phone calls are getting us closer to closing, we are going uphill (in other words in gathering all materials and inspections) and once the due diligence period is over it is downhill with closing.
- ▶ These calls will hopefully accomplish two things:
 1. Assignment of responsibility on what is needed to be done.
 2. Communication on a regular basis between all parties.
- ▶ Due Diligence – this is a 60-day period when they declare it to start (which according to Jonathan and Bob has not started yet). We have submitted everything requested and we are waiting on one more thing from the insurance company. These things were sent to Julia (MHM) and Jonathan did not realize it had been submitted. I suggested to Dean he copy everyone (Jonathan, Bob, Paul) when submitting things to Julia. We are hoping that the 60-day period starts within the next couple of weeks once everyone gets their updated things from each other. During due diligence period, shareholders packets will be prepared to their special specification of amount owed (water/sewer, mortgage, liens etc.) to be taken out of their \$200,000. We will also have the signing of the shareholder packets during this period. More inspections.

President's Report *(continued from page 1)*

- ▶ Title searches – have been started and it is overwhelming. Jonathan was asked to check with title company to see where they are in the process. It is my understanding due diligence does not start until all title searches (556) have been completed.
- ▶ The first amendment to the PSA – will be the schedules/ exhibits that were left blank in PSA we signed.
- ▶ Escrow deposit – has been made.
- ▶ 723 residents – it was discussed that the 723 residents (now) should have a lease that would protect them regarding rent increases, etc. This would be a new prospectus for them also.
- ▶ Closing – found that the title company does no closings in the last two weeks of December and first week of January.
- ▶ Checks -We will, in all probability, receive our checks in January or February 2024. Remember we need to agree on closing date, and I will make sure that all (excluding those being held in escrow for any reason) have their checks in time to pay higher rent.

Our coffee hours are going to start beginning the first and third Saturday of each month this month and I hope to see you all there.

I also want to take this time to wish you all a very Happy Thanksgiving. It is hard sometimes to be thankful for the things we have, and not dwell on what we do not have. We are blessed and I just want to leave you with this:

"Now is no time to think of what you do not have. Think of what you can do with what there is." Ernest Hemingway

Christmas stockings for Samoset School

Thanks to the unbelievably generous donations of our residents, we have over 800 Christmas stockings made. Now we need to fill them! If you'd like to purchase smaller items to fill the stockings for children ages 4 to 10, whether girl or boy, please drop off items to Kathy Warren's home at B-10. If you'd like us to shop for you, please contact Kathy Warren or Penny Manor with your donation. We appreciate you all so very much! We'll make over 600 children very happy for the holiday.

If you or someone in our Village has something nice to share that has happened in the last month, send it to me so we can give a shout out to them. And, don't be afraid to toot your own horn. Pictures are welcome.

Chatter Chuckles...

GIFT OF FAITH

A nun who works for a local home health care agency was out making her rounds when she ran out of gas. As luck would have it there was a station just down the street. She walked to the station to borrow a can with enough gas to start the car and drive to the station for a fill up.

The attendant regretfully told her that the only can he owned had just been loaned out, but if she would care to wait, he was sure it would be back shortly.

Since the nun was on the way to see a patient, she decided not to wait and walked back to her car. After looking through her car for something to carry to the station to fill with gas, she spotted a bedpan she was taking to the patient. Always resourceful, she carried it to the station and filled it with gasoline.

As she was pouring the gas into the tank of her car two men walked by. One was heard to exclaim, "Now that is what I call faith!"

Activities Board

Submitted by Penny Manor, Chair

Many of the snowbirds are heading back and we have so many fun and wonderful activities already happening in our park. If you haven't tried any of our activities yet, now is a great time to put some good thought into trying a few out.

Chair Volleyball is played on Monday and Wednesday mornings at 10 am and is one of our most popular and well-attended activities. It doesn't matter how young or old you are, you'll have a great time playing this low-impact activity. Please come and join Patsy Farris on Monday mornings and Tami Dougherty on Wednesday mornings for over an hour of fun, laughs, and a great time while getting in a good little work out.

If you're not sure which activity to try, please check out the calendar in this Chatter or the calendar in the Clubhouse with all the up-to-date activities and events.

Thanksgiving Dinner will be in the Clubhouse on Thursday, November 23rd at 1 pm. The cost of the meal is \$10.00 each and you can purchase your tickets at the November Coffee Hour or see Penny Manor at 518-645-6934 for your ticket. Details of the meal will be shared in November. Margee Hermann will be heading up the Thanksgiving Dinner and is looking for volunteers to help out on this committee. If you'd like to help out with the dinner, please watch on Facebook for details of the meeting.

The Activity Committee needs your help...

Our board has many expenses coming up including the bi-monthly serving of coffee and donuts, the Halloween Dance, Christmas Golf Cart Parade barbecue, refreshments for the Christmas Concert, and many other activities. Yes, we will have the \$36,000.00 coming in from MHM, but it will not be soon enough. If you could help out in any way to replenish some of our funds, we'd truly appreciate it. Any donation will help. Please see Verna Hansen or Penny Manor if you can donate.

Until further notice, the Activity Committee has had to raise the price of our Coffee and Donuts to \$2.00 at Coffee Hour. The donut bakery is raising their prices again this year and we are just losing too much money. Thank you!

Greens of Manatee Golf News

November 2023

Submitted by Tom Ladd

Funny what a different year we have had compared to last year. Last year (2022) we were closed because of rain or flooded conditions, 15 days in August and 16 days in September (and that is right on our 14-year average). This year we were closed 4 days in August and a day and a half in September. That is good for business, but our employees have worked extra hours keeping everything from drying out. We have been under a drought warning most of the summer and early fall. Hurricane season has been good to us so far and we all hope it continues.

We are having our scrambles twice a month (2nd and 4th Saturday) this month so come out and have some fun. Good Golfer, Bad Golfer, these scrambles are made for all of us.

Our Village Leagues are beginning to see a little more activity with a few of the early birds returning to Florida. We will still accept Yearly Fees at a Discounted Rate for 2024 so get your check in right away. Please give me a call on my cell or at the clubhouse and I will give you the details. It is a chance for you golfers to get your 2024 golf paid for and save a few bucks as well.

The sale of the Village is getting closer and closer as we inch toward the end of the year. For those Shareholders that will be getting a check from the sale, why not make a donation to the course to make sure the green space is here for many years to come. One half of one percent of your payout, from most of our Shareholders, would all but eliminate our mortgage and allow us to get some much-needed equipment and upgrade our clubhouse. We have had some interest so give me a call if you decide to join in to keep this green space next door for us and future generations. Thank you to those in the Village that have already sent in their donations.

Has anyone seen that nasty white stuff yet? Time to head south before you do. Take care and drive safely on your ride south.

Have a great month and see y'all soon.

Thank you for supporting the golf course !!!
