## President's Report

Submitted by Donna Anderson

Welcome back to all our friends from up North. Hope you had a wonderful Thanksgiving!

Please note, we must have our articles into the Chatter by the 10th of each month. I know this is "repeat," and out of date, so I hope you are reading your emails (from constant contact), the information blog, and coming to coffee hour to get the latest news!

### As of November 10, 2023

The big question from all is, we signed the PSA, when do we get our money? As explained repeatedly, you getting your money is the very last thing in the order of this acquisition. So let me tell you what is happening now:

### Rumors and questions being asked:

**Pavers:** After a visit to Country Lakes by our Activity Board, they came back with some information about pavers that is being experienced in Country Lakes. They were told that if you do not get pavers and you want to sell your house later down the line, you must put pavers in at that time. This is **NOT TRUE** for our park. We discussed this with MHM, and they indicated that if you sold your home and the purchaser wanted the pavers they could do so at the purchaser's expense. They also said that when a new home is brought in, pavers would be automatically laid, unless the purchaser has otherwise indicated no.

Please remember when hearing these things, each park is different in their terms with MHM. Bob Miller has said more than once that he was impressed with how many of our residents have those beautiful paintings on their driveways, and he understands why some would not want the pavers. This decision is yours and yours alone folks.

**Taxes:** As I am sure you all are getting that little envelope from our good friend Ken Burton, Jr, better known as the Tax Collector, I have had some questions about do I pay these taxes. The answer is **Yes**. These taxes are for 2023 real estate, so these are your responsibility.

**Driver's License:** You may be getting a call from Jan Twait, MiMi Sackett, Verna Hansen, Belle (from the office), or myself that informs you we do not have a copy of your driver's license in your files for age verification that will be required to prove that the percentage needed of 55 and older is correct. Please do not rush to the office after this meeting asking if they need yours, we will be making calls on the ones we need. We are in the

## President's Report *(continued from page 1)*

process of going through every file checking and are finding there are quite a few. I want to thank Jan, MiMi and Verna for helping get this task completed. I really appreciate all of you! **(Side note: I was informed that Laura (our new part-time office assistant might be calling, too.)**

**Maintenance Fee:** As we are still an association, we need to proceed doing business as an association. Therefore, a budget has been prepared for the upcoming year which includes the new maintenance fee and reserve fee. Shareholders will be receiving a letter probably within the next 10 days, with the proposed budget that the Board will be voting to approve next month (December Board meeting), your new maintenance fee, your new reserve fee and the lawn service rates for next year. So, no you will not be paying the \$635 on January 1st, but rather after closing.

**Annual Meeting:** There will be no annual meeting in February of next year. The purpose of the annual meeting is basically to elect new board members. When voting, on the sale of the park, you voted on three items and C, the third of those items state:

**C. Do you approve the continuation of the terms of the current Board of Directors through the closing of the sale of the Park, the termination of all proprietary leases, the distribution of Co-op assets to the members following the sale, and the termination and windup of the affairs of El Rancho Village, Inc.?**

**Number of Yes Votes: 473**

**Number of No Votes: 59**

Therefore, we will have a regularly scheduled Board meeting in February, if needed for updates and the like.

**Summary of Meeting on November 2, 2023 with MHM, Attorney, Manager and Executive:**

**Due Diligence:** According to Jonathan this should begin by the end of next week (November 10). He was assured by MHM that we had turned in all that was necessary to proceed. This means he will write a letter to Bob Miller informing him that we have submitted all requested of us, Bob will have two days to review, respond and advise then at that time our 60 days begins ticking. As noted, before, all 556 title searches did not need to be completed, before due diligence is started. **(Side note, the notice was sent by attorney yesterday, November 9 to Bob Miller of MHM, he has five days to sign or respond. So, we are very close to starting the 60-day countdown!)**

**Title Commitment:** According to Jonathan the title company has indicated mid-November for completion. At that time, shareholder packets will be put together with signature pages. Remember, each packet will be different reflecting your deductions from your portion of the payout (water/sewer, any liens, or mortgages to be deducted).

**Amendment #1 to PSA:** We should be receiving this in the next few weeks. This is the legal description of the park, some schedules and exhibits that were excluded from the PSA that are normally worked on and added as amendments.

**Market Pricing Guide:** We are hoping to have a market pricing guide with what MHM will be charging for those shareholders who want to sell their homes after the sale to tell potential buyers. We know this will help you in listing your home.

As you can tell our meetings are getting shorter, which hopefully means we are getting closer.

Thank you for all your support!

*Respectfully submitted, Donna Anderson*

## "Shout Outs..."

Submitted by VOTG Residents

I would like to give a huge "Shout Out " to Bobby Manor and Jim Walsh for spending their Monday mornings trimming trees and bushes in the park. They are doing this out of the goodness of their hearts to make our wonderful park even more beautiful!

*Thank you, Bobby & Jim Draba!*

Tim & Elizabeth Wallace recently came by our place on their golf cart and stopped when they saw we were struggling to get a sofa out of our SUV. Not only did they help us get it out, but helped carry it into our home. Thanks for these great VOTG neighbors!

We would like to send a huge Shout Out to our park employees, Kim Johnson, Amanda Vega, and our resident "above and beyond" hard working volunteer Bob Manor, as well as Penny Manor, Judy Walsh, Jim Walsh, and Earl Sonner for the great job they did building, creating, and planting of the front flower boxes at the 9th Street Gate Entrance. The boxes truly are a welcoming and inviting view when residents and visitors enter our park. We are very proud of the job they have done and thank them so much for all their hard work. Here are some pictures of their work in progress of the flower boxes.

## Greens of Manatee Golf News

*Submitted by Tom Ladd*

Last month I reported how dry it was here all summer long and it looks like that will continue for some time to come. As I write this article in the first week of November for the December Chatter, the course is drying up fast, the forecast is for wetter conditions over the winter months. We have been under a drought warning most of the summer and early fall. Hurricane season has been good to us so far and we all hope it continues.

We are still accepting yearly fees checks, for 2024, if you have not mailed yours yet, it will help us a lot during this slow time.

We will continue to have Scrambles twice a month on the 2nd and 4th Saturday of each month thru April. So, get over and get signed up early so you do not miss out on all the fun.

We are in the middle of replacing our golf cart batteries and that is a very costly expense. The cost is about \$30,000 for new batteries vs \$300,000 for new carts. Donations are greatly appreciated.

With the cooler temperatures, our Village Leagues have really grown so get over and get signed up on the league that fits your schedule.

The sale of the Village is getting closer and closer and looks to settle some time right after the 1st of the New Year. For those Shareholders that will be getting a check from the sale, please think about donating to the course to make sure the green space is here for many years to come. One half of one percent of your payout, from most of our Shareholders, would all but eliminate our mortgage and allow us to get some much-needed equipment and upgrade our clubhouse. Participation continues to grow so give us a call if you can help. Thank you to those in the Village that have already sent in their donations.

Reports of the "white stuff" up north has opened the flood gates for snowbirds heading south. Take care and drive safely on your ride south.

Have a great month, see y'all soon. Thanks for supporting the Golf Course.

## Bingo

*Submitted by John Candelora*

This is your invitation to join us at Bingo every Tuesday at the Clubhouse. Doors open at 5:00 p.m. and Bingo starts at 6:30 p.m. **sharp** with the Bonanza game. Please join us for fun and bring friends. The more people the bigger the prize money. Get here early and get ready to play. Games are simple and laughter is plentiful. Games are designed for your enjoyment.

Mike Nichols officially opened the snack bar at bingo on Nov 7th.

## Christmas Golf Cart Parade

*Submitted by Kathy & George Caswell*

The Christmas Golf Cart Parade will be held on Sunday, December 17th. Please line up starting at 5:30 pm, parade leaves the parking lot at 6:00 pm sharp. Everyone is welcome!! Something as simple as a red bow on your cart qualifies you to join in the fun. People who do not participate but watch for the parade to pass their homes, enjoy this event as much as those of us driving. Hotdogs will head up the dinner to follow for those who were in the parade. This year the meal will be held inside the clubhouse which will make it comfortable for everyone. Hope to see you all there!

## Christmas Poinsettias

*Submitted by Verna Hansen*

The Activities Board will be selling Poinsettias for Christmas. There will be a sign-up sheet on the bulletin board of the club house until December 10th. The price will be \$12.00. The poinsettias can be in honor or memory of someone. They will be placed on the stage in the club house with your name on a card thru Christmas. If you purchase one you can pick it up any time after the Christmas dinner. You can pay me at K35 on 11th Ave. Any questions call 518-753-6216. All checks should be made payable to the Activity Board.

## From the Stacks

Submitted by Linda Twait, VOTG Librarian

The meeting for Friends of the Library will be each month beginning Tuesday, December 5, 2023 through March 5, 2024. Meetings will be at 9 a.m. in the Clubhouse Library. Everyone is welcome.

**NOTE:** Isn't it frustrating to get to the library without your reading glasses? For some time, a generous, anonymous resident has purchased and donated reading glasses for residents to use while they are in the library. However, recently, this donor expressed their frustration to me that the glasses are disappearing very soon after they are donated. If you accidentally take/have taken glasses from the library, please return them ASAP. Remember: **USE THE GLASSES IN THE LIBRARY, THEN LEAVE THEM FOR SOMEONE ELSE TO USE.** Thank you for your understanding and cooperation.

## Chatter Chuckles...

The Fish

A man was stopped by the fish and game-warden in Alberta recently. He had with him two buckets of fish. He was leaving Shaw's Point on Slave Lake, well known for its great fishing. The fish and game warden asked the man: 'Do you have a license to catch all those fish?'

The man replied to the game warden: 'No, sir. These are my pet fish.'

'Pet fish?' the warden replied.

'Yes, sir. Every night I take these here fish down to the lake and let them swim around. After a while, I whistle and they jump back into their buckets, and I take them back home again.'

'That's a bunch of hogwash! Fish can't do that!' was the outburst from the Warden.

The man looked at the game warden for a moment, and then said: 'Here, I'll show you. It really works.'

'O.K. I've GOT to see this!' The game warden was curious now. The man poured the two buckets of fish into the lake and stood and waited.

After several minutes, the game warden turned to the man and said, 'Well?'

'Well, what?' the man responded.

'When are you going to call them back?' The game warden prompted.

'Call who back?' The man asked.

'The FISH!' the warden said.

'What fish?' The man asked.

The holidays are approaching and I'm sure we will be seeing many visitors in the park again! Remember to read the pool times for the ages of your grandchildren when they are here.

Also pool aerobic classes are held on Monday, Wednesday, and Friday from 9:00 AM to 10:00 AM and water aerobics from 10:00 AM to 11:00 AM. We have bought new noodles to be used in the pool area only. Please be respectful of your neighbors in this busy time of year.
