### Manager's Report

Submitted by Dean Chandler

April Showers, bring May Flowers, except when there is no sun.

The total solar eclipse on April 8 is causing such a stir because the rare event — where the shadow of the moon will plunge a narrow strip of land into darkness in the middle of the day — is an astronomical experience like no other that will be unusually accessible to millions of people. The sky is filled with breathtaking wonders, but one occurring on April 8 is causing people to plan trips in droves, prompting fears of snarled highways and generating headline after headline.

April's total solar eclipse will fall over more places in the U.S. than the total eclipse before and after it. And the broad length of the path of totality, where Americans have the best shot of getting a clear view, is "much wider" than it was for the eclipse in 2017, according to the National Aeronautics and Space Administration. If you are traveling, be safe....

#### Where are we in the closing...

- Signing the closing paperwork, for the people in the park DONE...
- The balance is being mailed out. The sooner we get them back the sooner you get checks. Please get them completed and returned ASAP!

#### RESIDENT CONCERN FORM

For those that are not aware, we have a Resident Concern Form in the office that gives you the ability to describe any concern you may have. We try to direct these concerns to the appropriate person or company. I try to discreetly address the problem without mentioning names, but we do need to have your information.

#### GARBAGE

**PLEASE** have your trash and recycle out before 8am. We had several complaints that they missed them because they didn't have it out before 8am.

#### EMAILS

I try to send out an email every Friday. If you are NOT receiving these please let me or the office know, and we will find out why. If you do not have an email, ask a neighbor or relative to help you sign up for one. They are FREE. We need to know where to send your CHECK.

### President's Report

Submitted by Donna Anderson

My fellow Villagers,

I hope each and every one of you had a wonderful Easter. I want to wish all of you leaving the Village this month safe travels and we will miss you all. Very quiet here in the summertime, without our northern friends!

**Signing packets:** As of the writing of this article (March 10) a notice was sent out with the schedule for signing parties the third and fourth weeks of March. All those who were unable to attend, your packet should be going out the first week of April.

**Closing:** As of March 10th, a date has not been scheduled. This will depend on the signing parties and return of the packets.

**Checks:** Will not be ready for 10 to 15 business days after closing, we are being told.

I want to thank you for the support you have given me and this Board during this transaction. It has been a pleasure serving as your president, and an experience I will never forget. Here's hoping we will see our new amenities popping up over the summer and ready for all our "snowbird" friends when they arrive back in the fall.

Respectfully submitted,  
Donna Anderson

## "Shout Out..."

Submitted by Debra Bernardo, Chatter Editor

Did you know that our newsletter "The Chatter" was first called The Chatter Box?

It was first published on February 8, 1973. And, the very next month on March 28, 1973 the editor asked for residents to help make the newsletter better. So, please join in and help me make your newsletter better. Everyone enjoys pictures so snap some and send to me by text or email along with your copy. If you think of a new idea for The Chatter, let me know.

## Office News

Submitted by Belle Ratcliffe, Office Manager

It's Spring Break time and a lot of visitors are in the park. If you need a Parking Permit for overnight parking, you must come into the office and obtain one. Overflow parking is only in the Club-house parking lot. You cannot park at the office or laundry lots. Enjoy your family and friends!

Don't forget to fill out your Check Out forms for when you leave. Make sure when you leave that you remember to bring all items in from outside that could blow away in a storm such as hoses, patio furniture, grills, planters etc.. Happy Spring!!

## Chatter Chuckles...

Submitted by Debra Bernardo  
**Healthy Life, Healthy Wife**

In their small village, a couple was famous for the husband being 102 years old and his wife being 98 years old, and both in terrific condition, working their farm every day and having the bodies of much younger people.

One day, a visitor to the village, curious about the couple, approached the old man at his farm. The old man was cutting wood without a shirt on, sweat glistening on a body that seemed to belong to a man half his age.

The visitor introduced himself and asked the old man: "I hear you are 102!"

"That's correct," said the old man with a smile.

"Wow, I must say, you look in amazing shape!"

"Thank you," said the old man humbly.

"Do you mind if I ask-"

"-How am I this healthy at my age?" finished the old man. "Help me carry this wood back home and I'll tell you."

The visitor agrees and they make their way inside.

"You see," said the old man, "I've been married for 75 years. Now, when we got married, I made a little arrangement with the wife. Every time we have an argument, the loser of said argument must run for 5 kilometers. Seeing as we have a pretty typical marriage, I've been running 5 kilometers almost every day for 75 years! That's why I'm in the great shape I am."

"But if that's the case," said the puzzled visitor, "how come your wife is in such great shape too?"

"Well," smiled the old man, "she usually runs after me to make sure I finish the whole five."

# Activity Board Report

Submitted by Penny Manor, Activities Chair

Happy Spring, everyone! With Spring, we have a wonderful anticipation of new beginnings and new excitement for our activities for next season.

We also have so very much to be thankful for, and that is the wonderful people who have been running our activities throughout the park. I want to extend my personal THANK YOU to all of Activity Leaders. You are the stronghold of our park and there surely isn't enough time in one day for all of us to express our sincere appreciation to all of you!

Many activities will be coming to a close for this season, but many will also continue throughout the summer months for our permanent residents. Make sure to enjoy all the activities our park has to offer you this summer like chair volleyball, cards in the clubhouse, and shuffleboard.

## **APPEAL FOR SOMEONE TO RUN OUR MEMORIAL DAY SERVICE.**

My husband, Bobby, and I will be heading up north a little earlier this year for a wedding so I will not be able to run our Memorial Day Service on Monday, May 27th. We need someone to volunteer to run our little program and there will be light snacks served following the program. If you would like to run the program, please call me at 518-645-6934 as soon as possible. If we don't have a volunteer, we will unfortunately have to cancel the program.

## **CHANGE IN OUR ACTIVITY REQUEST FORMS**

Due to some confusion on some of our start times of our events this season, I have taken off the part in our forms that specifies SET UP TIME. The only time you need to put on your form is the start time of your activity. I do hope that will eliminate any confusion on the times.

## **APPEAL FOR A NEW LEADER OF OUR CHATTER DISTRIBUTION**

We want to thank Janice Davis for her dedicated service she has done to head our distribution of our Chatters for so many years. She has done a truly wonderful job and we are very grateful to Janice for all her hard work and dedication.

We are now looking for someone to take over this job. What it entails is counting out the Chatters when they come in, boxing them up, and making sure they are brought to our district leaders for their distribution to all our homes. If you would like to be responsible for taking over this job, please let me know as soon as possible at 518-645-6934.

Thank you to all of you for being a special part of our amazing community of Village on the Greens! I look forward to next season with great anticipation and excitement!

# Greens of Manatee Golf News

Submitted by Tom Ladd

Our annual meeting was held on February 19th, Congratulations to the following officers that were elected for the next year:

- Terry Keller, President (Golf Lakes)
- Larry Maschino, Vice President (at Large)
- Kevin Hogan, Secretary (Golf Lakes)
- Tom Ladd, Treasurer (Village on the Greens)
- Jack Preston, Director (Golf Lakes)
- Jan Brubaker, Director (Village on the Greens)

A HUGE Thank You to the Village Leagues for all their support this year. It has been a GREAT season!! We are still having more rain than usual but the course is in GREAT shape and I notice a lot of you snowbirds have already headed north for the summer.

Scrambles will run twice a month thru April (on the 2nd and 4th Saturday) and they are going strong so get signed up early.

The sale of the Village is getting closer and closer and looks to settle here in the next couple of months. For those Shareholders that will be getting a check from the sale, please think about donating to the course to make sure the green space is here for many years to come. One half of one percent of your payout (about \$1,000) from most of our Shareholders, would all but eliminate our mortgage and allow us to get some much-needed equipment and upgrade our clubhouse. Participation continues to grow so give us a call if you can help. Thank you to those in the Village that have already sent in their donations. Wouldn't that be a great way to keep our green space for future generations?

Remember, you can read about the golf course over the summer in the Village chatter online each month or look us up on the Greens of Manatee Facebook page. Have a great month and thank you for supporting the Golf Course

## April Theatre Trivia Corner

This month, the Manatee Performing Arts Center will be presenting the Tony Award-winning comedy musical **KISS ME, KATE**. The show runs April 25-May 13.

This is a musical retelling of William Shakespeare's *Taming of the Shrew*. In order to get you in the spirit, this month's trivia features other musicals and shows based on the Bard's work. So we thought it would be fun to give you a description of the musical and ask you to name the song about spring and the musical. Subscriptions for our 76th Season are on sale **NOW!**

1. This family-friendly musical is based on Shakespeare's **Hamlet** and features a furry, feathery, and feline cast...
2. **Romeo & Juliet** is the basis for this award-winning show that was the basis for an Academy Award-winning musical two different times.
3. The five-act comedy *Twelfth Night* is transformed into a modern musical featuring a different kind of "king"...
4. This Off-Broadway musical is a comedy unlike the very serious tragedy source material of *Macbeth*. Based on a cult film with the same name, this musical features a killer husband and wife duo who will do whatever it takes to become fast food giants.
5. What is the name of the musical adaptation of *The Merry Wives of Windsor* moves the action to the Wild West following the Civil War? It played in Seattle with Randy Quaid as Falstaff, but failed to make it to The Great White Way.
6. The very first Shakespearean musical adaptation happened in 1938 and was inspired by *The Comedy of Errors*. What is the name of this musical written by Rodgers and Hart?

### Answers to Manatee Players Trivia

The musical is **Disney's The Lion King** written by Elton John and Tim Rice.

1. One of the most beloved musicals of all time is Arthur Laurents, Leonard Bernstein, and Stephen Sondheim's **West Side Story**. What could be better than the creators turning the famous balcony scene in *Romeo & Juliet* to the fire escape scene in "Tonight"?!
2. **All Shook Up** is an Elvis (The King) jukebox musical that premiered on Broadway in 2005 and ran for 213 performances.
3. The tagline for this dark musical comedy was "Revenge is a dish best served with fries." **Scotland, PA** moves the action from medieval Scotland to 1970s Pennsylvania. As the couple's ambitions grow and the bodies fall, they find out just how far they'll go for a taste of the oh-so-tempting American dream.
4. This is the flop musical **Lone Star Love**.
5. **The Boys from Syracuse** includes swing and other contemporary rhythms of the 1930s. The original was directed by librettist George Abbot and choreographed by George Balanchine. It ran for 235 performances and was adapted into a film in 1940 and revived on Off-Broadway in 1963.
